About SRDG

SRDG was founded to provide operational and strategic guidance to our clients. We serve agencies, civilian firms and contractors supporting our nation's offensive and defensive capabilities, as well as other private business interests.

Our focus is on systems, people, processes, and tools that facilitate interaction and interoperability, thus enabling bold, agile and innovative solutions. Simply put, we create windows of opportunity, solve problems, and take action to accomplish objectives.

We provide:

- Direct purchase of Personal Protective Equipment
- Government Procurement Navigation
- DoD Contracting Authority
- Supply Chain Management & Oversight
- Research Analysis & Consulting
- Examination of and Filling Capability Gaps
- Enterprise-level initiatives for unexpected events
- Technology Integration

There's nothing we can't do!
